Instructions for completing the scholarship application:

## The Program

The Timothy McElroy Foundation (the "Foundation") offers a worthy student with a GPA of 2.5, or higher, a chance to go to college. 100% of a full-time student's tuition **only** will be paid by the Foundation. Room, board, books and materials and fees will not be paid by the Foundation.

## Step 1

Refer to the Income Eligibility Guidelines to see if you qualify. The income referred to is that of the principal wage earner(s) of the household in which the applicant student resides, e.g. parent(s), guardian or head of household. Scholarships are awarded at the sole discretion of the Foundation and all of its decisions are final.

## Step 2

If you qualify according to the chart, please complete the application. Forward it, together with documentary information confirming the income date used to determine eligibility, to the Timothy Mc Elroy Foundation, 7400 North Glen Harbor Blvd., Glendale, AZ 85307. Documentation should include the most recent IRS Form 1040 filed by the individual(s) whose income was used to determine eligibility. If an IRS Form 1040 was not filed, but you are receiving AFDC or SSI, you should send documentation confirming those benefits.

## Step 3

You will be contacted and notified as to whether your application has been granted. All scholarship funds will be paid directly to the college or university to which you have been admitted. Proof of your admission will be required.
